**Subject:** Request Concerning TSCA PBT Rule Effective Date  
**Attachments:** CUC-TSCA PBT Rule PIP Extension Request 020921.pdf

Dr. Freedhoff and Ms. Collazo --

Please find attached correspondence submitted on behalf of the Chemical Users Coalition. The letter sets forth concerns the CUC member have with regard to the effective date of the recently finalized TSCA PBT rule concerning PIP 3:1. While we recognize your office is very busy addressing a number of pressing matters, we are hopeful you will review the attachment and be available to confer with a small group of CUC members representatives so we might discuss the importance of a lengthier phase in period for critical features of the PIP 3:1 final rule. A timely response concerning this important request would be greatly appreciated.

The CUC members look forward to hearing from you soon. I can be reached at the coordinates listed below.

Larry
